INFORMATION DISCLOSURE STATEMENT UNDER 37 CFR §§ 1.97 and 1.98

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to Applicants' duty of disclosure under 37 CFR §§ 1.97 and 1.98, Applicants hereby inform the Examiner of a pending litigation involving U.S. Patent No. 6,818,705 to Wu *et al.* ("the '705 patent"), in which the assignee has alleged infringement of the claims of the '705 patent against Bridgestone Sports Co., Ltd. The case is currently being litigated in the United States District Court for the District of Delaware (C.A. No. 05-132). Specifically, the case is in the discovery phase and, it appears from the responses to specific interrogatories, Bridgestone is basing their invalidity arguments for the '705 patent on U.S. Patent No. 5,980,396 and U.S. Patent No. 5,929,171. Both of these references are of record in the present case.

With regard to the lined references on the returned Form PTO-1449 (submitted with the IDS filed May 19, 2004), Applicants submit a current form PTO-1449 listing these references and accounting for any errors in the previous Form PTO-1449. In particular, U.S. Patent No. 5,688,191 to Cavallaro *et al.* is intended to replace the reference BX in the returned Form PTO-1449 based on a clerical error in the patent number. In addition, the foreign references lined out by the Examiner appear on the current Form PTO-1449, with the exception of GB 2,291,817, the previous inclusion of which appears to be the result of a clerical error. Copies of these reference are submitted herewith.

It is respectfully requested that these references be made of record in this application by the Examiner's completion and return of the attached Form PTO-1449.

Should any additional fees be required, however, please charge such fee to Swidler Berlin LLP Deposit Account No. 195127, Order No. 20002.0367.
